MEDICALLY-ASSISTED WEIGHT LOSS PROGRAMS AT PRIVÉ-SWISS MEDSPA

The Time for Profound Change is Here!

Led by Heidi Kunzli, our owner and healthcare professional, as well as successfully losing over 100lbs over the past year herself, the Privé-Swiss Medically-Assisted Weight Loss Programs offer unsurpassed support, knowledge and wellness services to ensure your success! Here is a breakdown of the program options and benefits.

SEMAGLUTIDE AND TIRZEPATIDE PROGRAMS

Our medical providers will help determine if the Semaglutide Program or the Tirzepatide Program is right for you.

FIRST MONTH OF PROGRAM BENEFITS

- In-office medical evaluation and bloodwork order. In-office program introduction meeting with Heidi including handouts, program log, etc. Medical provider phone follow up with bloodwork results. Prescription ordered.
- In-office appointment with medical provider. First injection.
- In-office appointment with medical provider at end of first 4 weeks to evaluate progress and prescribe next month's medication.
- Weight and Body Composition Analysis
- Access to medical provider online and via phone if there are medical concerns
- 1 vitamin injection (if appropriate)
- 1 private group strength/resistance training or Pilates mat class per week (4 total for the first month)
- Private Facebook support group membership managed by Heidi
- 1 in-office private support group meeting with Heidi

SECOND MONTH OF PROGRAM & ONWARD BENEFITS

- In-office meeting with medical provider with prescription for next month's dosages
- Weight and Body Composition Analysis

- 4 pre-loaded syringes for self-injection
- Ongoing access to medical provider online and via phone if there are medical concerns
- 1 vitamin injection (if appropriate)
- Opportunity to subscribe to the Private Group Fitness Program including 3 strength/resistance training classes plus 2 Pilates mat classes per week. Includes access to a body composition analysis scale.
- Private Facebook support group membership managed by Heidi
- 1 in-office private support group meeting with Heidi

PROGRAM STRUCTURES

MEDICALLY-ASSISTED WEIGHT LOSS PROGRAMS AT PRIVÉ-SWISS MEDSPA

INJECTION-ONLY PROGRAMS

The Injections-Only Programs are available for those who wish to come in and pay for just the injection. This allows you to schedule a shot every week, 2 weeks, 10 days, or 3 weeks* — whatever is helping you to continue to lose or maintain your weight!

PROGRAM PRICING

Semaglutide Injection-Only Program

Initial consult and bloodwork.....\$250
Scheduled 15 min. injection and check-in appointment, or take-home syringes.....\$150 weekly

Tirzepatide Injection-Only Program

Initial consult and bloodwork.....\$250
Scheduled 15 min. injection and check-in appointment, or take-home syringes.....\$200 weekly

Medically managed weight loss program clients receive a discount on all MedSpa services and products.

*Must have 30-minute appointment before increasing dosage or down-titration. At the 6 month mark, a review with new bloodwork is required.

PAYMENT BENEFITS FOR ALL PROGRAMS

- 3-month, 6-month and annual pre-payment discounts available
- Financing options available
- Control your budget — no long term commitments!

SUPPORT-ONLY PROGRAM

Already receive your injections from another provider but want the support, motivation and incredible wellness benefits available to our private-group members? Sign up to receive all of the support and perks offered to our private group members and continue your injections and medical management with your own provider.
